KUGOWN - Spanish Edition of Cominform Journal

REF: HUL-A-567

1. We received today copies of subject publication from [] who also promised to provide us from now on regularly with copies.
2. We are forwarding herewith one of these back issues since we do not know whether or not you have this publication on file. Please make all the necessary arrangements with KURIOT so that they can reproduce a copy on short notice. The attached copy is not the one we want reproduced: we send this only as a sample for paper, masthead, format, type, etc.
3. We shall choose one of the next few issues of subject journal of which we shall want approximately 500 copies integrally reproduced, with only one article - which we shall prepare in the meantime - inserted instead of any other material of approximately the same size.
4. We continue to be interested in the information requested in para. 2 reference, that is, any data about the distribution of subject journal in Latin America, number of copies and channels through which they are shipped, especially any office, book shop, etc. anywhere in the Western Hemisphere, preferably in Mexico or in the United States, from where it might be re-distributed to Latin American addresses. We shall appreciate any such information as soon as possible.
5. Please advise us also whether you receive this journal regularly: if you do, we do not have to wait until a given issue reaches us from [] but can simply send you the article to be inserted.
